Yes, I will fulfill my destiny, leading mankind to Eden (Heaven on earth)

Developing the 5 activity areas of G3 down to every square mile of earth:

- NuVoWay - Our goal at NuVo is to help you (all 7.8 billion of you!) towards living your ideal life, irrespective of where you live or your current social situation
- G3 Golf - Focused on proliferating golf at all levels, bringing this wonderful game to many millions (even billions!) of people of all nations and economic backgrounds.
- dogZlife - focused on the development of Montreal as the creativity capital of the world and the dissemination of the products of this creativity to every square mile of this earth. This includes not only the arts, but, creativity in all its forms; high technology, architecture, furniture design and home decor, fashion, the culinary arts...
- NuVoWay Foundation - Consolidation of all the helping associations and foundations across the world into a unified front aimed at eliminating all scourges on this earth, sharing our wealth and bringing equality to all people across the globe. Ultimately moving towards a Resource-Based (moneyless) Economy.
- Noah Project - Consolidation of all the ethical and helping organizations in animal issues into a unified front ultimately bringing to an end the needless killing and mistreatment of animals in all forms..
